

From 'living', the heart is nurtured.

JUNOPARK

Smarma

Migreencho

Loomploompa

JUNOPARK offers Interactive Activities and Hands-on Galleries.

Interactive Activities

Group-based workshops in a game format that require an Activity Pass (numbered ticket)

On-site reservation is required; the workshop takes approx. 45 min.

Recommended for ages 10+
Ages 6-9: One adult required per child.
Not available for children under 6.

Hands-on Galleries

Hands-on exhibits where you can touch, explore, and think while having fun.

No reservation needed.

Joining the Interactive Activities

Interactive activities are held once every hour.

STEP 1

Go to the location of the interactive activity you want to join and get an Activity Pass (numbered ticket).

- * Passes are available 30 minutes before each activity starts.
- * Please check the digital signage for the day's schedule.

STEP 2

Arrive at the activity location 5 minutes before the start time. Show your Activity Pass (numbered ticket) to join.

Nurturing children's sensibilities through six themes related to "living".

Self-expression

Design

Express your personal "likes" alongside a moment of joy.

Interactive Activity

Let's design a room that reflects your own style!

Hands-on Gallery

Curiosity and exploration

Structure

Be curious about how things work and observe closely.

Interactive Activity

Use professional techniques and aim for a high score!

Hands-on Gallery

A multi-perspective mindset

Universal Design

Understand others by seeing them from various perspectives.

Interactive Activity

Choose the right items to create a path that everyone can walk through!

Hands-on Gallery

Logical thinking

Living Environment

Ask "why?" and uncover the reasons behind things.

Interactive Activity

Investigate what makes a space uncomfortable and turn it into a cozy home!

Hands-on Gallery

Appreciation of true value

Resource Circulation

Realize that everything can be a resource and treat it with care.

Interactive Activity

Discover hidden resources and turn them into something new!

Hands-on Gallery

A deep connection with nature

Natural Environment

Create a gentle environment where people and nature can live in harmony.

Hands-on Gallery

* Only the design interactive activity is available in English.

The first floor is a public area with a library, shop, café, and restaurant -free to enjoy with no ticket reservation required!

Library “The Garden of Books”

Books from a wide range of genres are organized into 11 themed sections. Feel free to explore and pick up any book that sparks your curiosity or imagination.

* Books are for in-library use only and cannot be taken outside.
* Please return the books to their original place after reading.
