Sekisui House Selected as Dow Jones Sustainability Indices (DJSI) World Index

On September 8 (Thursday), Sekisui House, Ltd. (President, Representative Director & COO : Toshinori Abe, Head Office: Kita-ku, Osaka) was selected for the Dow Jones Sustainability Indices (DJSI) World Index. This benchmark stock index on SRI (Social Responsible Investment) evaluates companies not only in financial terms, but also in environmental and social aspects. Among the major companies worldwide, 316 of them (including 26 Japanese companies, one of which is Sekisui House) have been selected for the World Index.

The DJSI World Index is among the Dow Jones Sustainability Indices, which are stock indices released by US-based S&P Dow Jones. RobecoSAM, a Swiss-based SRI rating company, evaluates the sustainability of the business activities of companies, and selects the top companies for each industry sector as “Global Sustainability Leaders.”
